

Moore Propane is a family owned and operated, local propane supplier that has proudly served the community since 2013. Our service areas include Jefferson, Clearfield, Clarion, Elk, Indiana, Centre, Cameron, and Blair Counties. Although our business is now 8 years old, our family and team of employees is no stranger to serving customers in the propane industry. With over 200 years of combined experience, we strive to provide a clean energy option, fair prices, and quality service to you - our valued customers, that goes above and beyond the competition.

Whether for home, farm, business, or industrial use, we have the knowledge and expertise to serve your propane needs. We take great pride in treating all of our customers like they're our number 1 customer.

Our Falls Creek Office

Our main office is located in Falls Creek and we are excited to announce that we will soon be opening a second location in Woodland, PA. The Woodland office and fill plant will be open and fully operational in May 2021. Both Moore Propane locations will offer full sales and service, from purchasing, requalifying, and filling cylinders, to bulk propane sales and delivery. Between both locations we have four 30,000 gallon storage tanks. With a storage capacity of 120,000 gallons of propane and our fleet of delivery trucks and service vehicles, you can rest assured that you will have a reliable propane supplier with Moore Propane.

Whether you use propane for hot water, cooking, heating your home or pool, or fueling your generator, Moore Propane makes it easy to get started and stay happy. We are proud to offer several options to begin your propane service, such as tank purchases, leases, and annual rentals. Each spring we offer several discount pricing choices to suit your family or business' budget including pre-buy propane, lock-in pricing, and monthly budget plans.

We offer propane service for generators

We make ordering and delivery simple! While other companies use call centers and have no local presence, Moore Propane is proud to have a fully-staffed, local office ready to meet your needs. Customers can call our local office at 814-299-7073 during normal business hours to place an order with our staff or leave a message on our 24-hour voicemail. You can also place an order, check your account, and pay your bill all online! Customers can rent a tank monitor, which gives us the ability to monitor your tank percentage from our office and we can easily schedule deliveries for your home or camp while you are away. Whether you choose to place your propane order by phone or online, you can rest assured knowing that your propane delivery will be scheduled by our reliable staff in a timely manner. More information about all of these options can be found at our website: [moorepropaneusa.com](http://moorepropaneusa.com).

We are currently accepting new customers for homes and businesses! If your current propane supplier has not been reliable, charges extra fees, doesn't have a local office to answer the phone or handle your needs, or if you're paying too much for gas, give Moore Propane a call at 814-299-7073. We are proud of the fact that we do not have hidden fees or charges. No more paying for delivery and hazmat fees, no lengthy contracts to sign, and you can enjoy free installation and gas checks for your new tank. Our goal is to provide you with clean, safe, reliable, and affordable propane with the personalized service you'd expect from a hometown business.
